### Minutes

Point		Action	By when
1	<p><b>Previous minutes</b></p> <p>The previous minutes from 11 September 2009 had been circulated and were agreed as an accurate record.</p>	Note	
2	<p><b>Dave Ryding Race Night</b></p> <p>Following the success of the race night it was agreed to top the monies up from Club funds to a round £500. JH to action and send off to Dave account when received.</p> <p>Thanks to Megan for doing the raffle that raised £81 on its own.</p>	JH	ASAP
3	<p><b>Winter Race League</b></p> <p>A set of race dates had been agreed and AC will place on the web site. Format to include SLP.</p> <p>AD will do the timing and RL race entries. Thank you.</p> <p>Best 4 from 6 races to count.</p>	JH	
4	<p><b>SWSA</b></p> <p>Nothing has really happened since the last meeting. JH and RL are the Club Reps. It was noted that regular updates have been given on any relevant issues.</p> <p>There appears to still be no clear direction on the coaching front – Chantelle is helping out but all items still have to go back to Stuart and his Executive Group that were not recorded or made generally aware to other persons. AD stated that this was wrong and JH should take the matter up with SR.</p>	Note  JH	
5	<p><b>Equipment</b></p> <p>SD suggested that the gates are past a serviceable life and many bases now need replacing but we need to know</p>		

	<p>whether to go for the same type or the newer (more expensive) adjustable base type.</p> <p>Need to get HB's advice and cost out for consideration.</p>	HB	Next meeting
<b>6</b>	<p><b>Coaching</b></p> <p>HB had tabled an outline programme for the winter with technical focus for all persons. This was well received.</p> <p>Club National set for 26<sup>th</sup> June with Inter Regional the following day after lobbying by HB. This should be good for the region and as a Club we will not make a penny but will need to help SSE with the day. This was acceptable as it well worth it.</p> <p>HB provided a run thru of the new SSE system for GP's.</p> <p>HB noted that he was worried about numbers thru the winter but the Committee still wanted to run as it is with no bookings. We do need to monitor the situation and if numbers reduce to an extent then drop the numbers of coaches to suit.</p>	HB	
<b>7</b>	<p><b>AOB</b></p> <p>JH noted that we will need to re-schedule an awards evening following the completion of the British Champs in April 2010.</p>	Note
